Life Group Week 4

Introduction

- What was your favorite subject in school?
- When you don't understand something that you read in God's Word how do you dig deeper to grasp what God is saying?

Discussion Questions

- What was something that stuck out to you as “important” from the past Sundays sermon or service?
- Was there anything that you heard that you didn’t understand?

Read Luke 24:1-12

- What was the significance of Jesus not being in the tomb?
- What kind of emotions do you think that those present were feeling?
- What does this speak to our lives?

Read Luke 24:13-24

- In verse 17 Jesus noted that these men were sad. Why do you think that they were sad while they were on their journey?
- Do you think that it is possible that these men were disappointed by all that they had seen? (Verse 21)

- Is it possible that we can put God in such a box that we are only comfortable with Him acting or moving in a way that we find acceptable?
 - Is there a danger in this?

Read Luke 24:25-27

- We see that Jesus shows himself to the two throughout scripture. Is it foolish to make false assumptions about who Jesus is?
- Do you feel that it is wise to search the scriptures to get a better understanding of who Jesus is?
- If we don’t search the scriptures in our pursuit of Him, does it stand to reason that we are inventing who Jesus is? What are the dangers in doing this (consider the men who didn’t recognize Jesus)?

Group Challenge:

What are some practical ways we can share the hope of Jesus to those around us?

In what way can you make known the love of Jesus to someone in your life this week that is in your circle of influence?
