SUNDAY WORSHIP SERVICE

GETABUNDANTLIFE.COM

IMPORTANT INFO

We will be planning to have a typical Sunday service beginning next week, January 10th. This will include a kids program for children ages 0-12, a time of praise and worship, preaching of the Word, etc. We will monitor our local area as we have been doing with regard to COVID-19 cases. We will be passing along the recommendations currently in place for restaurants.

For anyone who may be considered high-risk, or for those who would feel more comfortable watching online, we will continue to provide a great quality online service.

As always, if there are any ways we can serve one another better, or if there are any prayer needs or questions that you may have, please connect with us.

Blessings,
Pastor Brandon

Financial Giving and Offerings at Abundant Life

One of the ways that we worship is by giving an offering to the Lord. We make a declaration that God is Lord over every area of our life. We typically have a time of giving after announcements. If you are a guest at our service today, please do not feel obligated in any way to give unless you feel the Lord is putting it on your heart to do so.

If you would prefer to give using our secure, online system, please visit: easytithe.com/alf
